YOUR ART WILL NOT BE CUT OFF THE CUP. OUR IMPRINT AREAS ARE SIZED SO THAT AT MAX IMPRINT WIDTH ON ONE SIDE OF THE CUP YOU CAN SEE ALL OF THE ART ON THAT SIDE WITHOUT HAVING TO TURN THE CUP. - This template's purpose is to give you our imprint area for sizing your art. We reserve the right to place your art vertically on the cup in the location we think provides the best visual layout. If you require your art to print in a specific location, please make note of that on your art and/or PO. - Due to the taper of the cups, the imprint will distort. Geometric designs will noticeably change shape, especially circles.
