

Item number: 39500  
Item description:  
Nylon Reflective Snap Band

Please be mindful that any freestanding line should be at least .012" thick in order to show strongly on the item.  
Reversed lines or interior fills should be at least .018" thick.  
White lines will need to be thicker because white barely shows on this process.

The minimum print size is 12 point for most fonts. Thin fonts like Times New Roman will have to be bumped up to 15 point
